

## A Tale of Quandaries

*Amada G. Banaag*

You are my happy pill  
I wonder if I am your therapy.  
You are my excitement  
Am I the calm of your raging sea?  
You are both my pain and my panacea  
Can I be a soothing balm to your wound?  
Now, this makes one human;  
To feel,  
To ask,  
To wonder....  
If.
